Anne Tomaszewski

Tracy Williamson

Ward Staples

Others Present: Judy Coveau, Patti Edwards

Visitors: none

Absent: Kellie Davis

Staples moved to approve the June 8th, 2026 minutes. Williamson seconded. Motion approved.

The JWQC financial report balance was \$40,899.88 as of 6/30/2026. A motion was made by Slayton to approve the financial report. Williamson seconded. Motion approved.

Operator's update: Edwards reported that all is well with the plant. Lead and Copper testing has been completed and everything is in compliance. This will need to be completed again in three years. A window was broken at the plant by a rock while mowing. The estimate is \$900, which is less than the insurance deductible. Edwards will have Luck Window and Door Outlet do the repairs. Edwards stated that the windows are all foggy and hard to see out of. It was requested that she obtain a quote for all windows to be replaced. Edwards received an alarm for Lift 2 on 7/17/26 early in the morning. A couple of racoons were the result and Edwards took care of the issue.

The permitting has been an issue to change the WM location for the disposal. Edwards will move forward with the original plan for disposal and get on a schedule. Edwards has not yet gotten to the curb stop maintenance. She will begin on that as soon as possible. The commission has asked Edwards to grease, open, and exercise all curb stops this summer.

Midwest Plant Solution has not sent Edwards the follow up information. The discussion will be put back on the agenda for August.

No Tribal Council or finance update.

The next meeting will be Monday, August 10th, 2026, at 10a. Next month agenda items: Midwest Plant Solutions

A motion by Staples, and seconded by Williamson, to adjourn the meeting at 10:21a. Motion carried.

Respectfully submitted,

Sarah Slayton, JWQC Secretary/Treasurer
